Herbalist & Alchemist Announces New Grief Re-LeafTM Formula

Washington, NJ - Herbalist & Alchemist, Inc., one of America's premier herbal extract companies for 25 years, announces Herbalist AHG, David Winston's newest formula – **Grief Re-Leaf**TM.

David notes that, *"I have used this formula in my clinical practice for many years to help start the healing process associated with grief, mourning, or emotional trauma. While these herbs are no replacement for therapy, they seem to help people "stuck" in their pain - such as those suffering from broken hearts..."*

Our highest quality, carefully chosen certified organic, ethically wildcrafted or high grade Chinese herbs are extracted into certified organic, USP grade extractants and then blended into David's formula. We are proud to present this wonderful formula.

David Winston, AHG, founder and President of Herbalist & Alchemist, is an internationally known herbalist and ethnobotanist. He has been in clinical practice for over 30 years and is an author of 3 books on herbal medicine as well as a noted lecturer at medical schools, symposia, and professional seminars.
